

## BLAQ TEE'S BIO

Commonly known by his stage name “**Blaq Tee**”, Sphehinhle Treasure Nkosi is a phenomenal hip hop artist, born and raised in Mpumalanga’s capital city; Mbombela.

The 19-year-old Pienaar resident kick started his rap journey after being inspired by K.O’s Skhanda rap; he never released any music but continued to master his craft until he felt the time was right in 2018.

During his final year in high school 2019, he released his debut EP titled “**Life Of A Rapper**”. The project was received with warm hands by his supporters, also scoring him his first ever interviews in two of the biggest local radio stations in Mbombela; BCR FM & Kasi FM and scored himself a playlist in SABC’s Ligwalagwala FM.

He has since then matured in his craft, proving his mark in the local hip hop scene when he released his biggest single yet, titled “**I Just Wanna Dance**” which features **Da Saint**, in January 2020. The song was a perfect combination of good lyrics, good deliverance and two brands merging together. The same song landed him a nomination in the 2020 MAMA’s (Mzansi Arts & Media Awards). Blaq Tee is currently working on a new single and new music content that is to be made available to the public as time goes on.
